## MD'S MESSAGE

"Our success has been based on values which are ingrained into our corporate culture and are followed in every aspect of our business operation through four major tenets: zero compromise on quality, consistent value for money for customers, continuous investment in human resources and a strong commitment to maximizing value. We strongly believe that our main strength lies in our most precious asset – our people and they are equally a part of our success.

As we move ahead to the future, we eagerly embrace new technologies, innovative thinking, and operational & technical change, but our commitment, at all levels, to excellence, quality and relationships with our employees and customers remain the foundation of JOGA RAM GROUP's success story."

**Sawai Ram**

# PAINT

Innovation is at the heart of everything we do, and you'll see this in our range of paints. We don't want to just offer you a one-size-fits-all solution, so our paint experts have scoured the world to find the best brands for every type of surface. Whether you're looking for Jotun, Dulux, or Mas Paints, we've got them all.

The Rust-Oleum logo features a red square with a white cross on the left, followed by the text "RUST-OLEUM" in bold black uppercase letters.The Mas Paints logo consists of a small gear icon followed by the text "mas" in a lowercase, rounded font and "paints" in a smaller, lowercase font below it.The Dulux logo features a colorful, flowing paintbrush stroke above the text "Dulux" in a bold, blue font, with "let's colour" in a smaller, lowercase font below it.The Jotun logo features a stylized globe icon on the left, followed by the text "JOTUN" in bold, blue uppercase letters on a yellow background.The National Paints logo features a red, stylized globe icon above the text "NATIONAL" in bold, blue uppercase letters, with "PAINTS" in a smaller, blue uppercase font below it.
