WHO ARE WE?

Joga Ram Group was formed in the year 1988 with the sole purpose of establishing a world class joinery company in the region catering to various needs of the discerning and quality conscious clientele. Since 1988, the company has grown many folds under the able leadership of Mr. Joga Ram and ever since, it has served the people of Middle east to their fullest satisfaction.

JR INTERIORS DECORATION LLC, A part of this group launched in 2015 specializes in turn-key design, contracting and fit out.

We are a multi talented team and pride ourselves in forging close and harmonious relationships with our clients by staying true to their vision and ingenuity, practicality, commercial sense and aesthetic integrity.

WHAT WE DO?

At JR Interiors, we specialize in providing comprehensive Interior design and Fit-out solutions for residential, commercial and other spaces. With years of experience and a deep understanding, we have established ourselves as a leading provider of interior design fit out services in the industry.

We offer a wide range of services, including space planning, fit out, joinery, MEP and project management. Whether you are looking to build or update your home or office space, we have the expertise and resources to bring your vision to life.

TURNKEY FIT OUT

With the design and approvals in place, our team of builders & craftsmen move on to the construction phase. We work closely with our clients to ensure that disruptions are kept to a minimum and that the project is completed on time and within budget.

OUR APPROACH

At JR Interiors, we believe that every Design and build project is a unique opportunity to create something truly special. That's why we work closely with each of our clients to understand their vision and goals for the space, and then we apply our expertise and creativity to bring that vision to life.

PROJECT : ECOS HOTEL

Our approach is centered around collaboration and communication. We believe that the key to a successful project is to establish a strong working relationship with our clients, based on trust, transparency, and open communication. We listen carefully to our clients' needs, preferences, and concerns, and we keep them involved in every stage of the process, from approvals to final touches.

Our in-house joinery and hardware supply capabilities are a significant advantage in fit-out projects. By having these resources readily available, we can avoid lengthy delays caused by outsourcing and can produce high-quality, custom-made fixtures and furniture at a lower cost. This translates into a more efficient and cost-effective fit-out process for our clients

JOINERY & FURNITURE

At JR Interiors, we have an in-house joinery and furniture team, enabling us to provide customized and high-quality furniture and joinery solutions to our clients. We have a new branch being established in Saudi Arabia by mid 2023.

OUR PROJECTS

Dubai Police Academy

The Majlis area was completed well in time for the inaugural ceremony in January 2018. Whilst designing this area we had to keep in mind the ambiance and the profile of visitors. The finish had to be state of the art & to show the robustness of the academy we had to use materials to reflect the same.
